

WORLD OF RADIO #963, produced Oct 27, 1998 by Glenn Hauser

- *Standard disclaimer
- *Don't Vote Republican: you'll be sorry if they gain increased control of Congress; and don't blame other Democrats for the President's pecadillos
- *WOR 962 problems last week: not on OK stations, but new time now: Sun 7:30 am CST on 1400, 1490; WGTG didn't get our tape, new time UT Sunday 0030 on 5085 USB and/or 6890 USB; WRN had to use phone feed; RFPI couldn't get our show at all; all airings OK on WWCR; see <https://www.angelfire.com/ok/worldofradio> for latest info
- *R. St. Helena Day barely received in NZ, BC, Germany, but better in eastern North America; also R. EuroGeek before it
- *Star Radio, Liberia had to close website news, and turn off SW
- *More times for English from Libya
- *R. Rainbow's new schedule
- *Syria's new frequency for English
- *Afghanistan's new frequency not heard, heard
- *Sri Lanka transmitter varying and spurring
- *V. of Mongolia's new English schedule, and heard
- *V. of Vietnam's best time for us
- *New Peruvian, and new name for another Peruvian
- *Cubans quit jamming R. Marti for hurricane coverage
- *Cubans keep jamming R. Miami during Prague relay, a farce (recording); free advice to WRMI: get a new frequency
- *Prague's new morning broadcast in English direct
- *Special QSL for jammed Frank Zappa Show
- *Jammer of ANARC SWL Net caught by FCC and confesses
- *Wake up, frequency managers: WBCQ clashing with VOA; silver lining
- *WWCR new schedule shows another time for VOA Comms World; Presidential Radio Addresses
- *WWCR has interference from X-band third harmonic in Denver
- *Washington DC station adds WRN via NPR overnight
- *Art Bell decides to return to the air
- *Alien Voices, classic SF radio productions on NPR for Halloween, SciFi Channel and on tape with De Lancie and Nimoy, <http://www.alienvoices.com>
- *World of Radio 963, wghauser@hotmail.com P O Box 1684, Enid OK 73702; fax if really necessary 1-580-233-2948 attn Hauser
- *Special MW DX tests Nov 9 from KHTK and 16 from WODI
- *Sat-Sun Nov 21-22, Midwest DX Get-together at Lenexa, Kansas; RSVP by Nov 18 to Rick Dau, Iowa City, iowarocker@hotmail.com
- *Radio Asia Canada may be gone, but Toronto still has a Canadian Tamil Broadcasting Corp. at <http://www.ctbc.com>
- *Anguilla back on the air, and now clashing with Canada
- *Iceland frequencies monitored
- *New BBC relay via Delano clashes with R. Educacion, Mexico
- *BBC previews: Seeing Stars, see <http://www.bbc.co.uk/worldservice/seeingstars/> and also BBC

program skeds by time there; Meridian Feature; Poems by Post
*Merlin Network One new schedule clashes with Chile, Gabon, and
25 mb Sackville relay is this, not BBC; Media Zoo repeat heard
*RN's relay frequencies for morning broadcasts heard here
*RFI still using Guiana for English but on new frequency
*Spain sked shows new English broadcast, but really in Spanish
*R. Yugoslavia made usual winter time and frequency changes;
Pacific broadcast is too late at night
*R. Budapest's new English schedule
*The SW pirate radio scene in Russia
*Ukraine's new English schedule
*Sweden has special Nov 1 on anniversary of Swedish broadcasts;
actual frequencies for morning to North America
*QRP ham DXpedition from Hungary to Liechtenstein
